MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding is executed on 23/02/2023

Between

TIRUMALA SERVICES, a Company duly organized and existing under the laws of India having its registered office at HADAPSUR, PUNE (hereafter referred to as Party A, which expression shall unless repugnant to the context or meaning thereof, include its successors, legal representative and permitted assignees) on FIRST PART. And Dr. Rajendra Gode Institute of Technology & Research, Amravati (hereinafter referred to as Party B, which expression shall, unless repugnant to the context or meaning thereof, include its successors, legal representatives and permitted assignees) on SECOND PART.

Following points were discussed and agreed between two parties for Industry Institute Interaction for mutual benefits.

1.0 Focus Area

Party A will help to assist to **Party B** for the following activities.

1. Help to develop Center of Excellence in related areas.
2. Conduct workshop on various skills development of students.
3. Industry visits for faculty and students
4. Guest lecture on recent trends in industry by deputing experts.
5. Assisting final year students for their project work.
6. Providing Internship program.
7. Campus interview as and when required.
8. Conduct of Value-Add or Certification programs for students.
9. Providing training to the faculty and students.
10. Participation in syllabus revision.

Party B will help to assist to **Party A** for following activities.

1. Testing of materials
2. Provide assistance to upgrade the qualification of employee.
3. Special software training.
4. Sharing library and laboratory facilities.
5. Display of newly developed products.
6. Provide consultancy through Center of Excellence in the concern department.

Now therefore, in consideration of the premises and the actual covenants herein contained, it is agreed by both **Party A** and **Party B** as under.

2.0 Definitions and Interpretation

Following Memorandum of Understanding has been executed between and signed by the above mentioned two parties.

1. Party A will provide the full support to develop the Center of Excellence in related areas.
2. Party A will permit their executives and experts to render their expertise for the academic benefits of the students of Party B, through invited lectures, seminar, workshop as judges to various technical competition etc., in a convenient manner.
3. Party A will allow visits of the students of Party B, at their plant and offer the facilities for study purpose.
4. Party A will extend its support and sponsorship for the projects (if available) and practical's (if facility is available) for the degree students of Party B, identified and

approved by mutual convenience. Party A will permit the use of their equipment and facilities of the students of Party B, according to the norms/procedures laid down by Party A for this purpose.

5. Party A will allow usage of their library facilities (if available), relevant standards and handbooks etc., to the students of Party B, for their projects and practical's, if required.
6. Party A will allow students of Party B to undergo Internship Program of stipulated duration in their plant or facilities whenever possible, with the prior permission.
7. Party B will make available to Party A. Provides the library facilities, reference books, journals, periodicals and handbooks for a spot reference.
8. Party B will offer its laboratory / Computer facilities for any experimental or testing work required by Party A with prior permission and make necessary arrangement.
9. Party B will provide training to employee of Party A in various areas. Such training programs will be arranging with mutually consent.
10. Party B will offer technical consultancy services to Party A as per their requirement. Scope and terms of such services will be decided by mutual convenience.
11. Party B offer the facility to the employee of Party A to promote their qualification. So that the employee of Party A will use their knowledge for taking organization on exorbitant position.
12. Specific task or assignment in areas not covered by this MOU can be explored and undertaken with mutual consent of both Party A and Party B.

3.0 Responsibility Structure

1. **Party B** shall provide the infrastructure of systems, LCD projector etc. for the Expert Lectures. Also, the labs and other research equipment available in the lab.
2. **Party A** shall be responsible for arrangements & coordination for supply of Industry Expertise, Design training program, Process of necessary Appointments with Industries for Industry Internship Program, Expert Lectures as well as Visits in co-ordination with staff & HOD of **Party B**.
3. **Party B** shall create awareness amongst its students for promotion of the activity especially Internship Program.

4.0 Certification

Upon completion of the Internship, **Party A & Party B** will jointly conduct technical assessment for students. The students qualifying the technical assessment shall be certified with completion certificate.

5.0 Relationship

This MOU relates solely to the intention of the parties, wherein **Party B** and **Party A** jointly work together and shall not extend to any other activity or create a partnership between the Parties hereto and under any law of any country. The parties agree that it is not their intention to share any loss or profit between them in their respective fields, except to the extent expressly provided herein.

6.0 Termination

Three year from the date of signing of MOU, unless renewed on a mutually agreed terms and condition for a further period. During the initial term or any renewal term, either party may terminate this MOU, after mutually agreed days, with prior written notice to the other party.

7.0 Consequential Damages

Other than explicitly mentioned in this MOU, either Party shall not under any circumstances or at any time be liable to the other under or in connection with the MOU for any special or any direct or indirect loss or damage or for any consequential loss or damage, whether direct or indirect, including but without limiting the generality of the foregoing, loss of profits, loss of production, or loss of opportunities.

8.0 Severability

If any provision of this MOU or the application thereof to any person, entity or circumstance shall be invalid or unenforceable to any extent, the remainder of this MOU shall not be affected thereby and the application of such provision shall be enforced to the greatest extent permitted by law.

9.0 Governing Law

The agreement shall be governed by Law of the Land.

10.0 Entire understanding

This MOU expresses the whole agreement reached between the Parties. Consequently, this Agreement supersedes any previous letter or document of whatsoever nature exchanged between the Parties with respect to this Agreement.

11.0 Amendment

No amendment to this MOU shall be valid and binding to the Parties unless it is made in writing and signed by authorized representative of all Parties to this Agreement. In witness whereof the Parties have caused this Agreement to be executed by their duly authorized representatives.
