About us :

The establishment of Internal Quality Assurance Cell (IQAC) by accredited institutions (after the first cycle) is a major step in pushing long-term quality standards. IQAC in Dr Rajendra Gode Institute of Technology and Research Amravati affiliated to Sant Gadge Baba Amravati University is a significant administrative body that is responsible for all quality matters and it was established in the year 2016.

The prime responsibility of IQAC is to initiate, plan and monitor various activities that are necessary to increase the quality of the education imparted in the institution.

The objective of IQAC is to develop a system for prominent and consistent work to improve the academic, infrastructure and administrative performance of the institution and to promote measures for institutional functioning towards quality enhancement through best practices.

Involvement and contribution of the students, Teachers, University Administration, Academia, Industry and other stake holders by one way or the other has been solicited by IQAC to reach to the goal. The IQAC assures all the stakeholders i.e., students, parents, teachers, staff, management, and society the quality management of the College

The IQAC team believes in technical advancements by planning

- Analysis of current trends and requirements
- Current needs of Technical education
- Continuous improvement in teaching-learning and evaluation
- Use of latest technology for the betterment of students
- Promoting and encouraging creative ideas of student.
- Social affairs and their impact on education
- Institutional Social responsibility.
